

Outdoor Bidirectional Parking Guidance Display PKS2302-RG

Features

- Displays welcome messages and real-time availability of parking spaces for the entire parking lot.
- Shows parking space information for a designated area in both directions, guiding drivers to park quickly and efficiently.
- Supports display of English characters, numerals, and arrows; standard communication interfaces include RS485 and RJ45, enabling standalone or networked operation.
- Equipped with high-brightness outdoor LED modules for clear and highly visible content, even under direct sunlight.
